RESPONSE TO NOTICE OF DEFECTIVE RESPONSE

Sir:

In response to the January 31, 2007 Notification of Defective Response, applicants are submitting a Supplemental Declaration. The Notification indicated that the current declaration did not comply with 37 CFR 1.497 in that the first inventor's citizenship was missing.

The Supplemental Declaration supplements the original declaration by indicating that the first inventor, Arthur J. O'Toole, is a citizen of the United States. In view of the above, it is respectfully requested that an official filing receipt be issued.

Please charge any amounts due to Deposit Account No. 19-4124.

Respectfully submitted,

Leo Stanger
